SERGEY GORDEENKO

FRONT-END DEVELOPER (REACT/REDUX)

About me

Hello, I am a person who has a strong passion for programming. I have experience in creating SPA with React, Redux, TypeScript.

Now I am improving my skills in this direction and expanding them with new technologies. I'm planning to study Node.js, because my next focus is to become a Full-Stack Developer. I spend my leisure time on Codewars, improve my English and skills developer. Open for your suggestions.
